

SUMMER SCHOOL in ECONOMICS AND FINANCE – CANAZEI 2013

QUANTITATIVE METHODS IN RISK MANAGEMENT

Alba di Canazei, Val di Fassa (Trento), Italy
<http://dse.univr.it/safe/schools>

AIM OF THE SCHOOL

The school, aimed for advanced graduate students, PhD students, post-docs, junior and senior faculty members, professionals (actuaries, bankers, risk managers).

The venue is the premise of the University of Verona in Alba di Canazei, a small village in the hearth of the Dolomite. The course and the staying in Canazei is organized in such a way that there will be plenty of scientific interaction between professors and participants.

The school will be sponsored by AMASES (<http://www.amases.it>) and the Department of Economics of the University of Verona (<http://www.dse.univr.it>).
