Use [this RSVP link](#) to register.

We expect the sessions to start at around **9am** (with doors opening at **8am**) and run through to **5pm**, with plenty of networking breaks. As usual, there will be a visit to a local pub near the venue after the event. A full finalized timetable will be sent out closer to the event but the speakers and topics are currently as follows:

As always, this promises to be a diverse and stimulating set of sessions and will qualify **up to six continuing education units** for the Casualty Actuarial Society. In order to register your attendance (as usual, there is **NO CHARGE TO ATTEND**) please use the link above and add the date to your diary.

The event will qualify to continuing education units also for Ordine Nazionale degli Attuari.

Numbers are limited to 100 participants so please respond quickly to avoid disappointment.

If you have any comments, questions or find any problems with the invitation then please do not hesitate to e-mail me (jeff.courchene@milliman.com). There will be an informal dinner the night before as well, on 15 November 2018 (at your own cost). Let me know via email if you are interested in joining.

You are welcome to share the event details with your colleagues. If, however, your colleagues want to be added to our invitation lists (and receive announcements), they will need to send me an email (jeff.courchene@milliman.com) with "GDPR Compliance for the CAE" in the subject line, indicating their wish to receive CAE emails.
