Introduction by Roberto Muscogiuri, member of the Risk Management Committee

As the CRO is a second line of defense role, he/she has a responsibility in governance but also a role in supporting the strategy of the company.

Therefore it is key to take into account the point of view of the Board who is executing the strategy and needs to combine business objectives with risk appetite and risk tolerances.

12:00-13:00 **Point of view of the CRO**

Moderator: Kartina Thomson, AAE Board member

A number of CRO's present their experiences and needs, while focusing on the challenges and subjects especially for actuaries in the role of CRO.

This will be discussed in a panel session.

13:00-14:00 **Lunch**

14:00-14:20 What does RM mean for the actuary and what does the actuary mean for RM?
