### **CONVENTION A – an extraordinary online event for the actuarial community**

*September 19-23, 2022 | online & worldwide*

Under the theme 'Connecting Knowledge', this year's event will set a new standard for online conferences in the international actuarial community.

From 19 to 23 September 2022 the EAA – European Actuarial Academy with support of actuviv will organize the 1st CONVENTION A as an online only conference. More than ever before, actuarial institutions and high-ranking keynote speakers will provide an exciting and inspiring program on today's most relevant issues for actuaries from all fields.

Close to 1,000 participants of the first CONVENTION A can expect a state-of-the-art online event experience that allows them to schedule their personal program, join diverse sessions, catch missed presentations, and interact with speakers and the audience. Unique to CONVENTION A are scheduled appointments that enable the participants to meet their colleagues in between sessions.

The event program is jointly created by 35 institutions from the actuarial community and companies active in the insurance industry. Each program partner will design at least one four-hour program block during the event week, and each participant will find offerings in a convenient time zone. Daily plenary sessions round out the offerings. This combination will make sure that CONVENTION A will offer an attractive and unique networking experience for actuaries from all over the world as well as

all engaged actuarial associations, universities, supranational umbrella associations, and partners from the industry. [Click here to see the full conference program.](#)
