# *The Future:*

- Is a concept that remains in our minds and in our hands
- Depends on our actions guided by our ideas, imaginations, goals
- Depends on external events and our ability to maximize opportunities and minimize risks

# *The Future Actuary*

- What will be the context for a future actuary?
- What opportunities and what risks?
- Which skills will be necessary?
- How “global” will the Future Actuary be?

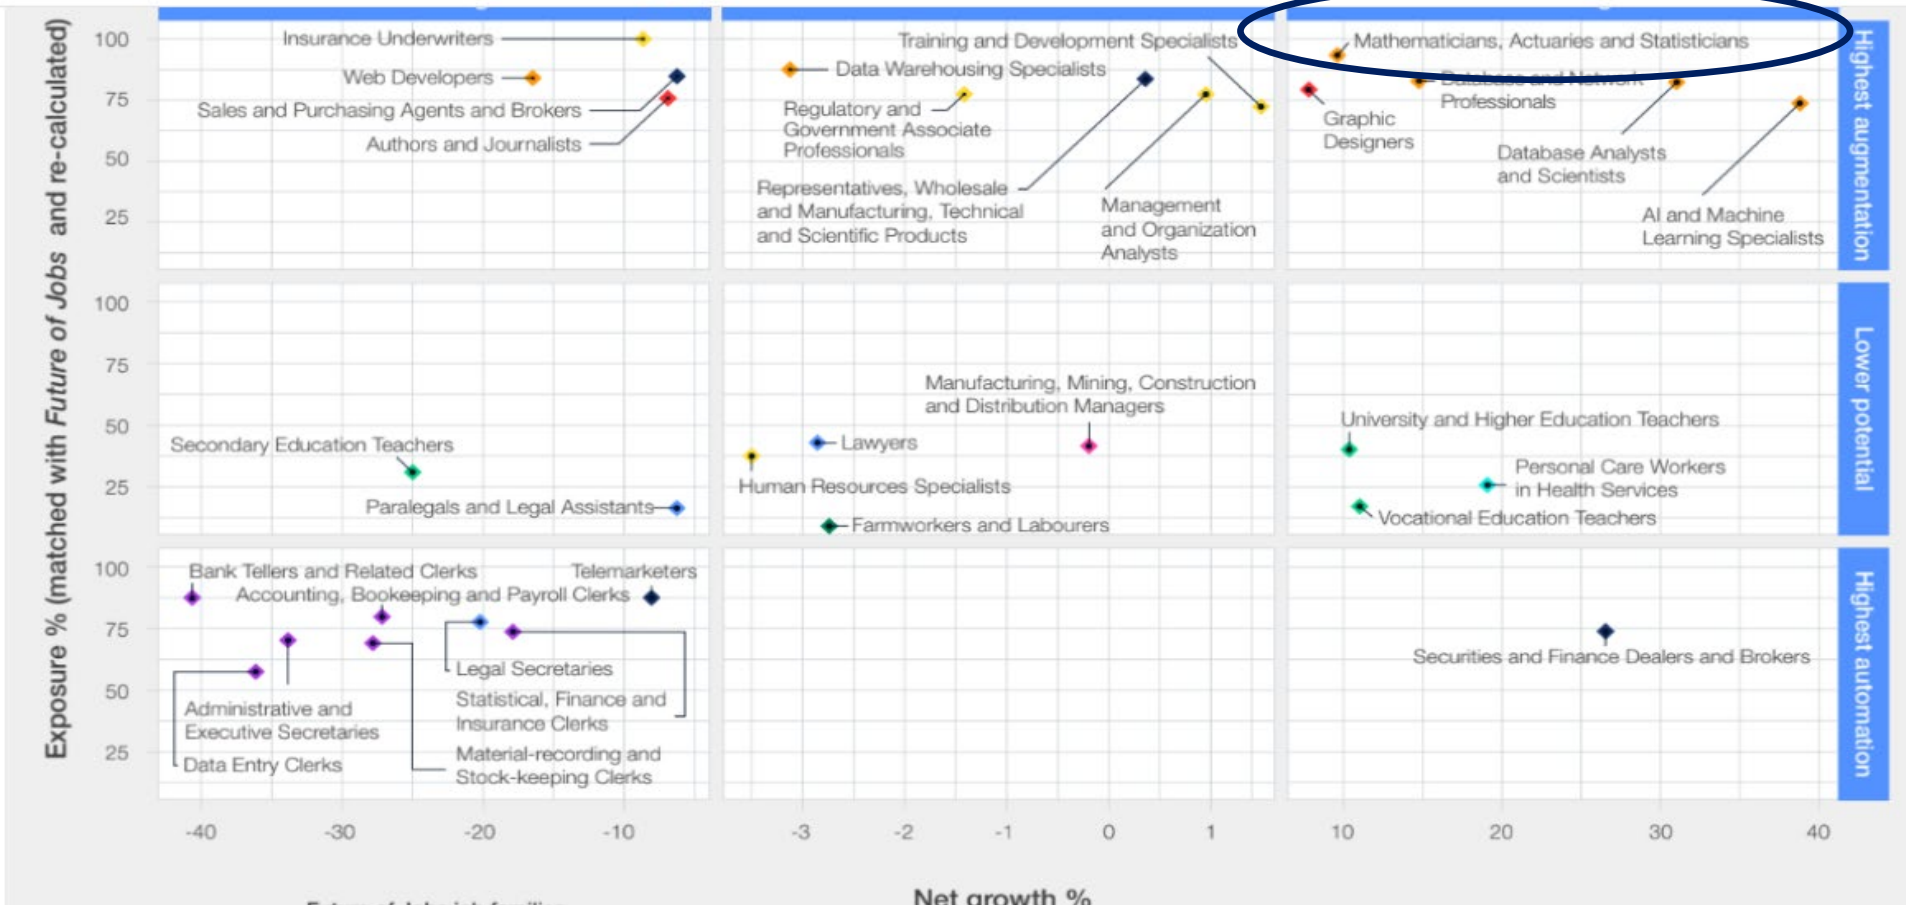

# The Future of Jobs\*
